Cubmaster Minute

As we begin the year with emphasizing the 12 core values of Scouting we begin with Responsibility. Responsibility is fulfilling our duty to help others and take care of ourselves. It is behaving safely and appropriately without having to be told.

Some ways as Scouts we can follow this core value is to:
Listen to our parents and do chores as we are assigned

Listen to our teachers and complete homework assignments on time and to the best of our ability

Take care of our bodies by eating nutritious food and getting exercise
